# What you can expect from Medica:

## Excellent value returned for each audit, resulting from informative and actionable feedback, better visibility, and operational support.

### Level 1 audit - quality assurance:

Enabling the service to provide reassurance to the Governance Board of the hospital, group or external regulators that there is regular quality assurance process in place.

### Level 2 audit - cause for concern:

Providing enhanced support to departments in the investigation of hot spots or existing concerns.

## Our guarantee to you:

- Independent, with no risk of conflict of interest
- Clear audit methodology derived from national standards
- Subspecialist auditors who are subject to regular assessment
- Detailed monthly feedback
- Automated pathway for urgent feedback of significant reporting errors

We have a friendly team of account managers based across the UK who would love to hear from you. Meetings can be held at your convenience; over the phone, video call or in person at your hospital.
