What you can expect from Medica:

Reporting process:

All reports are provided directly back into your local reporting system. Reports are made with access to all wider patient information, prior reports and imaging.

Implementation:

Deployed within the standard elective reporting service. There will be a small number of actions to ensure exams are identified, reconstructed correctly and that a suitable reporting panel is applied.

Ongoing support and service management:

- Overseen by our service development team
- Hands-on clinical leadership
- Dedicated Account Manager
- IT support throughout
- Monthly performance reporting

Audit:

All reporters involved in providing CT cone beam reporting are audited to a minimum of 5%. Medica appoint suitably qualified and experienced auditors to review performance.

We have a friendly team of account managers based across the UK who would love to hear from you. Meetings can be held at your convenience; over the phone, video call or in person at your hospital.
